

373-397

St Ambrose
Bishop of Mediolanum

Bible is translated into
Gothic language.

Death of ATHANASIUS

373
Q 350

The translation of the Bible by ULFILAS and his helpers created a basis for their missionary life among the Goths. According to PHILOSTORGIUS, ULFILAS left out the Book of Kings. PHILOSTORGIUS, himself a Cappadocian, knew that the ancestors of ULFILAS had also come from Cappadocia.
